Provide Accurate Information Directly (PAID) Act Testing Webinar

Thursday, September 9, 2021

CMS will be hosting a second webinar regarding the impacts to Section 111 Non-Group Health Plan (NGHP) Responsible Reporting Entities (RREs) related to the PAID Act, which was signed into law on December 11, 2020. The intention of the PAID Act is to help NGHP RREs better coordinate benefits by providing beneficiary Part C and Part D enrollment information via updates to the Section 111 Query Response File. These changes will go into effect on December 11, 2021. This webinar will offer important PAID Act reminders and focus on the details of the upcoming testing period, which will begin on September 13, 2021. The webinar presentation will be followed by a live question and answer session with staff from CMS and the Benefits Coordination & Recovery Center.

Questions for this webinar can be submitted in advance to PL110-173SEC111-comments@cms.hhs.gov. Please have your questions submitted no later than September 2, 2021.
